

**MOREHOUSE MAGNET
STUDENT PICK-UP PROCEDURE**

Because of the car-rider situation at Morehouse Magnet School, the school district will be re-directing traffic in that area. Presently, there are four or five different ways that an individual may come to Morehouse Magnet School in the afternoon. Beginning on Tuesday, October 21st, the traffic in that area will be re-routed. At 2:30 p.m., Larche Lane will be closed to through traffic between Highland Avenue and Forest Avenue. Individuals desiring to pick up their student(s) must come down Fairfield Avenue. Buses will be pick up children on Forest as usual. Daycare riders will go to Forest to be picked up at the same location as bus riders. All car riders must come down Fairfield Avenue in order to line up to pick up their student(s). At 4:30 p.m. at school dismissal, Forest will be open for exit traffic only. We encourage that parent not block private driveways during this time. There will be police officers on hand and tickets could be issued for this offense. Thank you for your cooperation in this change that is being implemented for safety reason.
