## Welcome Back!!

### A Note from Dr. Pullen

Welcome back Morehouse Magnet School students and parents!

I hope you have enjoyed the summer break. I also hope you are relaxed, recharged and ready to start a new school year. I am so delighted that you are part of our amazing learning community. I welcome and value your dedication to your child's education, and look forward to working with you and your children.

This is going to be an exciting year! This is the first year for Magnet Grade 11 and we are offering new classes to meet the demands of our ever-growing student population. We are here to help you and your child with every aspect of your child's education! At Magnet, we will do everything possible to make this a fantastic school year!

Be assured that we are serious about keeping our school clean and sanitized so that students and employees are safe.

Thank you for trusting us with your child!!

Sincerely,  
Dr. Stacey Pullen
